

# *Revival of US cities*

- *innovative mayors*
- *High-end services*
- *Tourism*
- *Entertainment*
- *Economic growth*
- *Material progress*
- *Dynamism of cities*
- *European cities are no longer models for urban development*
- *Dramatical fall of crime rate*
- *Growing middle-class residential populations*
- *New shops, restaurants, clubs and information age business*
- *Secondary immigration → opportunistic newcomers*
- *Innovative localism*
- *Cultural mixture enriches city life*
